

“Winning is not a sometime thing; it's an all time thing. You don't win once in a while, you don't do things right once in a while, you do them right all the time. Winning is habit. Unfortunately, so is losing.”

Vince Lombardi

Skills for a Lifetime

Rod Badash came to Wilmington in 1995 to take the Head Tennis Pro position at Echo Farms Country Club. He has been working with kids for over 25 years.

Many of the top ranked junior players in North Carolina started their tennis careers at Rod's Summer Sports Camp or in his junior program. Year after year kids return to his programs because they are fun, exciting and challenging. Rod is now offering this same opportunity in an afterschool program.

Rod is married and has two children who currently attend Codington Elementary School. As a parent, Rod understands the need for an afterschool program that will ensure academic success as well as provide kids an opportunity to learn skills that will last a lifetime and not just through their academic years.

Mission Statement

Our mission is to provide an afterschool program that will 1) provide a safe and fun environment for kids; 2) provide the completion and understanding of all daily homework assignments; and 3) introduce children to the fundamentals of two sports they can play for a lifetime - tennis and golf.
